§ 1205.27

PROCEDURES

§ 1205.24 General.

A sign-up period will be conducted to determine whether eligible producers and importers favor the conduct of a referendum on the continuance of the 1991 amendments to the Order.

(a) If the Secretary determines, based on the results of the sign-up period, that at least 10 percent (4,622) or more of the number of cotton producers and importers who voted in the 1991 referendum request the conduct of a continuance referendum on the 1991 Order amendments, a referendum will be held within 12 months after the end of the sign-up period. Not more than 20 percent of the total requests counted toward the 10 percent figure may be from producers from any one state or from importers of cotton.

(b) If the Secretary determines that fewer than 10 percent (4,622) of the number of producers and importers who voted in the 1991 referendum do not favor a continuance referendum, no referendum will be held.

§ 1205.25 Supervision of sign-up period.

The Administrator shall be responsible for conducting the sign-up period in accordance with this subpart.

§ 1205.26 Eligibility.

Only persons who meet the eligibility requirements in this subpart may participate in the sign-up period. No person is entitled to sign up more than once.

(a) Except as set forth in paragraphs (b) and (c) of this section, the following persons are eligible to request the conduct of a continuance referendum:

(1) any person who was engaged in the production of Upland cotton during calendar year 2014; and

(2) any person who was an importer of Upland cotton and imported Upland cotton in excess of the value of \$2.00 per line item entry during calendar year 2014.

(b) A general partnership is not eligible to request a continuance referendum, however, the individual partners of an eligible general partnership are each entitled to submit a request.

(c) Where a group of individuals is engaged in the production of Upland cotton under the same lease or cropping agreement, only the individual or individuals who signed or entered into the lease or cropping agreement are eligible to participate in the sign-up period. Individuals who are engaged in the production of Upland cotton as joint tenants, tenants in common, or owners of community property, are each entitled to submit a request if they share in the proceeds of the required crop as owners, cash tenants, share tenants, sharecroppers or landlords of a fixed rent, standing rent or share tenant.

(d) An officer or authorized representative of a qualified corporation, association, or limited partnership may submit a request on behalf of that corporation, association, or limited partnership.

(e) A guardian, administrator, executor, or trustee of any qualified estate or trust may submit a request on behalf of that estate or trust.

(f) An individual may not submit a request on behalf of another individual.

(g) Participation in the sign-up by proxy or power of attorney is not authorized.

[62 FR 1660, Jan. 13, 1997, as amended at 67 FR 21169, Apr. 30, 2002; 72 FR 51160, Sept. 6, 2007; 80 FR 36233, June 24, 2015]

§ 1205.27 Participation in the sign-up period.

The sign-up period will be from August 3, 2015, until August 14, 2015. Those persons who favor the conduct of a continuance referendum and who wish to request that USDA conduct such a referendum may do so by submitting such request in accordance with this section. All requests must be received by the appropriate USDA office by August 14, 2015.

(a) Before the sign-up period begins, FSA shall establish a list of known, eligible, Upland cotton producers in the county that it serves during the representative period, and AMS shall also establish a list of known, eligible Upland cotton importers.

(b) Before the start of the sign-up period, AMS will post sign-up information, including sign-up forms, on its Web site: <http://www.ams.usda.gov/Cotton>. Importers who favor the conduct of

§ 1205.28

a continuance referendum can download a form from the Web site, or request a sign-up form by contacting *CottonRP@ams.usda.gov* or (540) 361-2726 and one will be provided to them. Importers may participate in the sign-up period by submitting a signed, written request for a continuance referendum, along with a copy of a U.S. Customs and Border Protection form 7501 showing payment of a cotton assessment for calendar year 2014. The USDA, AMS, Cotton and Tobacco Program, Attention: Cotton Sign-Up, P.O. Box 23181, Washington, DC 20077-8249 shall be considered the polling place for all cotton importers. All requests and supporting documents must be received by August 14, 2015.

(c) Each person on the county FSA office lists may participate in the sign-up period. Eligible producers must date and sign their name on the "County FSA Office Sign-up Sheet." A person whose name does not appear on the county FSA office list may participate in the sign-up period. Such person must be identified on FSA-578 during the representative period or provide documentation that demonstrates that the person was a cotton producer during the representative period. Cotton producers not listed on the FSA-578 shall submit at least one sales receipt for cotton they planted during the representative period. Cotton producers must make requests to the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make request at the county office where FSA administratively maintains and processes the producer's farm records. It is the responsibility of the person to provide the information needed by the county FSA office to determine eligibility. It is not the responsibility of the county FSA office to obtain this information. If any person whose name does not appear on the county FSA office list fails to provide at least one sales receipt for the cotton they produced during the representative period, the county FSA office shall determine that such person is ineligible to participate in the sign-up period, and shall note "ineligible" in the remarks section next to the person's name on the county FSA office sign-up

7 CFR Ch. XI (1-1-16 Edition)

sheet. In lieu of personally appearing at a county FSA office, eligible producers may request a sign-up form from the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make the request for the sign-up form at the county office where FSA administratively maintains and processes the producer's farm records. Such request must be accompanied by a copy of at least one sales receipt for cotton they produced during the representative period. The appropriate FSA office must receive all completed forms and supporting documentation by August 14, 2015.

§ 1205.28 Counting.

County FSA offices and FSA, Deputy Administrator for Field Operations (DAFO), shall begin counting requests no later than August 14, 2015. FSA shall determine the number of eligible persons who favor the conduct of a continuance referendum.

[62 FR 1660, Jan. 13, 1997, as amended at 67 FR 21170, Apr. 30, 2002; 72 FR 51161, Sept. 6, 2007; 80 FR 36234, June 24, 2015]

§ 1205.202 Agencies through which a referendum shall be conducted.

(a) Agricultural Marketing Service. The Administrator shall:

(1) Determine the referendum period.

(2) Give producers and importers reasonable advance notice of the referendum

(i) by utilizing without advertising expense, available media of public information (including, but not being limited to, press and radio facilities) to announce the dates, places, or methods of voting, and other pertinent information, and

(ii) by such other means as the Administrator may deem advisable.

(3) Provide ballots and related material to be used in the referendum to FSA. The ballots:

(i) shall provide for recording essential information for ascertaining whether the person voting is an eligible voter, and

(ii) may provide for recording the total amount of Upland cotton produced by the producer or the total amount of cotton imported by the importer during the appropriate representative period.

(4) Make available to producers through FSA county offices instructions on voting, an appropriate ballot and, except in the case of a referendum on the termination or suspension of an order, a summary of the terms and conditions of the order. The instructions on voting shall explain the method to be used in determining the amount of Upland cotton produced during the representative period and shall specify whether such amount is to be entered on the ballot by the voter, subject to the following terms and conditions:

(i) If a current production year for which harvesting has not been completed is designated as the representative period, the amount of Upland cotton produced shall be determined by the FSA county office on the basis of the acreage planted or in the case of approved prevented plantings under the disaster payment program, the acreage the person intended to plant up to the allotted acreage as determined by the FSA county office, and the established yield for FSA program payment purposes: *Provided*, That on farms for which an established yield has not been established, the county committee shall determine an established yield based on actual production records on the farm for the preceding three years,

as adjusted for any abnormal conditions, if available; if not available, on the basis of yield on similar farms in the area.

(ii) On farms in which more than one eligible voter is engaged in production, the vote cast by each voter shall represent only the amount of Upland cotton that is the voter's share of the crop, or proceeds thereof.

(iii) If an eligible voter is engaged in production of Upland cotton on more than one farm, such voter is entitled to only one vote but any vote cast by such voter shall represent the total amount of Upland cotton that is that voter's share of the crop, or proceeds thereof, on all such farms: *Provided*, That only farms for which records are maintained by the FSA county office designated as the voter's polling place shall be considered unless the voter, prior to the expiration of the referendum period, establishes to the satisfaction of such county office the voter's share of the crop, or proceeds thereof, on an additional farm or farms.

(5) Make available to importers through FSA instructions on voting, an appropriate ballot and, except in the case of a referendum on the termination or suspension of an order, a summary of the terms and conditions of the order. The instructions on voting shall explain the appropriate method to be used in determining the amount of cotton imported during the representative period and specify whether such amount is to be entered on the ballot. If applicable, the following terms and conditions apply:

(i) For importer entities in which more than one importer is eligible to vote, the vote cast by each importer shall represent only the amount in weight or value of cotton imported by each eligible voter.

(ii) If an eligible importer is engaged in importation of cotton as more than one importer entity, such voter is entitled to only one vote but any vote cast by such voter shall represent the total amount in weight or value, of cotton in the voters share of cotton imported from each such importer entity: *Provided*, that only the importer entities for which records are maintained by CBP or other source determined by the

Administrator shall be considered unless the voter, prior to the expiration of the referendum period, establishes to the satisfaction of the Administrator the voters share, in weight or value, of the imported cotton.

(b) *Farm Service Agency.* Except for the functions specified in paragraph (a) of this section the Deputy Administrator shall be in charge of and responsible for conducting the referendum. Each FSA county office shall be in charge and responsible for conducting such referendum in its State. Each county office shall be responsible for the proper holding of such referendum in its county. It shall be the duty of each FSA county office to conduct each referendum in a fair, unbiased, and impartial manner in accordance with the regulations in this subpart.

§ 1205.203 Voting eligibility.

(a) *General eligibility requirements.* The following persons shall be eligible to vote in an announced referendum—

(1) each person who was engaged in the production of Upland cotton during the representative period; and

(2) each person who is an importer of Upland cotton and who, during a 12-month period ending no later than 90 days prior to the conduct of the referendum, imported Upland cotton.

(b) *Special eligibility requirements.* (1)(i) A person may qualify as an eligible voter by meeting the eligibility requirements, but no such person shall be entitled to more than one vote regardless of the number of importing entities or Upland cotton farms in which the person is interested or the number of communities, counties, or States in which are located farms in which such person is interested: *Provided, however,* That the individual members of a qualified partnership shall each have one vote, but the partnership as such shall not have a vote and an individual who qualifies as an eligible voter by reason of that individual's separate farming or importing operations will be entitled to one vote even though that person is interested in an entity such as (but not limited to) a corporation which is also eligible as a voter and entitled to one vote. A person who, as a guardian, administrator, executor, or trustee engages in the production of

Upland cotton or importation of cotton will be eligible to vote in such a fiduciary capacity if, in such a capacity, that person qualifies as an eligible voter.

(ii) In such cases the person for whom he or she is acting in a fiduciary capacity will not be eligible to vote. An individual may, if otherwise eligible, cast a ballot in his or her individual capacity although that person may also cast a ballot as a guardian, administrator, executor, or trustee. An individual who holds more than one fiduciary position may vote as a fiduciary in each case in which that person is otherwise eligible, as for example, if an individual is administrator of estate X, he or she may cast a ballot as administrator of estate X, and if the same individual is administrator of estate Y, he or she may cast another ballot as administrator or estate Y.

(2) Where a group of several persons, such as a spouse or marital partner, and children, or unrelated individuals, are engaged in the production of Upland cotton under the same lease or cropping agreement, only the person or persons who signed or entered into the lease or cropping agreement shall be eligible to vote. In the event two or more persons are engaged in the production of Upland cotton as joint tenants, tenants in common, or owners of community property, each such person shall be entitled to one vote if otherwise qualified. For example, a husband or a wife is eligible to vote if he or she shares with his or her spouse in the proceeds of the required crop as an owner, cash tenant, share tenant, sharecropper or landlord of a fixed rent, standing rent or share tenant. Thus, if a husband and wife are tenants or sharecropper on a farm, jointly responsible under the rental or sharecropping agreement, both are eligible to vote. This is true whether the rental or sharecropping agreement is written, signed by both parties, or oral, provided both husband and wife made the oral agreement. A minor is not disqualified from voting solely because of minority if otherwise eligible and the minor is not less than 18 years of age.

(c) *Voting by proxy prohibited.* There shall be no voting by proxy or agent

§ 1205.204

7 CFR Ch. XI (1–1–16 Edition)

but a duly authorized officer of a corporation, association or their legal entity may cast its vote.

CERTIFICATION OF COTTON PRODUCER ORGANIZATION

§ 1205.341 Certification of cotton producer organization.

Any cotton producer organization within a cotton-producing State may request the Secretary for certification of eligibility to participate in nominating members and alternate members to represent such State on the Cotton Board. Such eligibility shall be based in addition to other available information upon a factual report submitted by the organization which shall contain information deemed relevant and specified by the Secretary for the

making of such determination, including the following:

(a) Geographic territory within the State covered by the organization's active membership;

(b) Nature and size of the organization's active membership in the State, proportion of total of such active membership accounted for by farmers, a map showing the cotton-producing counties in such State in which the organization has members, the volume of cotton produced in each such county, the number of cotton producers in each such county, and the size of the organization's active cotton producer membership in each such county;

(c) The extent to which the cotton producer membership of such organization is represented in setting the organization's policies;

(d) Evidence of stability and permanency of the organization;

(e) Sources from which the organization's operating funds are derived;

(f) Functions of the organization; and

(g) The organization's ability and willingness to further the aims and objectives of the act.

The primary consideration in determining the eligibility of an organization shall be whether its cotton producer membership consists of a sufficiently large number of cotton producers who produce a relatively significant volume of cotton to reasonably warrant its participation in the nomination of members for the Cotton Board. Any cotton producer organization found eligible by the Secretary under this §1205.341 will be certified by the Secretary, and the Secretary's determination as to eligibility is final.

making of such determination, including the following:

(a) Nature and size of organization's active membership, proportion of total active membership accounted for by cotton importers and the total amount of cotton imported by the organization's cotton importer members;

(b) The extent to which the cotton importer membership of such organization is represented in setting the organization's policies;

(d) Sources from which the organization's operating funds are derived;

(e) Functions of the organization; and

(f) The organization's ability and willingness to further the aims and objectives of the Act.

The primary consideration in determining the eligibility of an organization shall be whether its membership consist of a sufficient large number of cotton importers who import a relatively significant volume of cotton to reasonably warrant its participation in the nomination of members for the Cotton Board. Any importer organization found eligible by the Secretary under this §1205.342 will be certified by the Secretary, and the Secretary's determination as to eligibility is final.

(b) The Secretary may conduct a referendum at any time, and shall hold a referendum on request of 10 percent or more of the number of cotton producers and importers (if subject to the Order) voting in the most recent referendum, to determine whether cotton producers and importers subject to the Order favor the suspension or termination of this subpart, except that in counting such request for a referendum, not more than 20 percent of

§ 1205.345

such request may be from producers from any one state or importers of cotton (if subject to the Order). The Secretary shall suspend or terminate such subpart at the end of the marketing year whenever the Secretary determines that its suspension or termination is approved or favored by a majority of producers and importers subject to the Order voting in such referendum who, during a representative period determined by the Secretary, have been engaged in the production or importation of cotton, and who produced and imported more than 50 percent of the volume of cotton produced and imported by those voting in the referendum.

[32 FR 1084, Jan. 31, 1967, as amended at 41 FR 37092, Sept. 2, 1976]

§ 1205.402 Determination of Cotton Board membership.

(a) In determining whether any cotton-producing state is entitled to be represented by more than one member of the Cotton Board as provided in § 1205.322, average annual production of Upland cotton in terms of 480-pound net weight bales for the five most recent marketing years will be used as the criteria for determination of such additional members.

(b) In determining whether importers of cotton and cotton-containing products are entitled to be represented by more than a minimum of two members on the Cotton Board as provided in § 1205.322, the average annual volume of imported cotton and the cotton content of imported products on which assessments have been collected will be used as the criteria for determination of such additional members. This volume of cotton will be expressed in terms of 480-pound net weight bales for the five most recent calendar years. The initial importer representation on the Board shall consist of four importer representatives.

(c) All members appointed from a state will be entitled to serve a full three-year term even though it is determined in a subsequent year that a state should have fewer additional members by using the average production of the five most recent marketing

years as specified in paragraph (a) of this section.

(d) All members appointed to represent importers will be entitled to serve a full three-year term even though it is determined in a subsequent year that importers should be represented by fewer additional members by using the average volume of imports of cotton and the cotton content of products on which assessments have been collected as specified in paragraph (b) of this section.

(e) Each year the Director shall:

(1) Based on the average annual production of Upland cotton in terms of 480-pound net weight bales for the five most recent marketing years, notify all certified cotton producer organizations in each cotton-producing state of the number of vacancies to be filled by cotton producers on the Cotton Board; and

(2) Based on the average annual volume of imports of cotton and the cotton content of cotton-containing products on which assessments as provided for in § 1205.335 have been collected in terms of 480-pound net weight bales for the five most recent calendar years, notify all certified cotton importer organizations of the number of vacancies to be filled by cotton importers on the Cotton Board.

The Director will designate a representative from the Cotton Division to attend the caucus meeting of cotton producer organizations in each state, and of cotton importer organizations. Each eligible cotton producer organization within each cotton-producing state and each importer organization will be entitled to only one representative at the caucus for the purpose of nominating two qualified persons for each member and for each alternate member to be selected. The representative of a cotton producer organization shall be a cotton

7 CFR Ch. XI (1–1–16 Edition)

producer and resident of such state, an officer or member of the Board of Directors of such organization, and duly and unqualifiedly authorized in writing by such organization to make nominations on its behalf. The representative of an importer organization shall be an importer of cotton and/or products containing cotton, an officer or member of the Board of Directors of such organization, and duly and unqualifiedly authorized in writing by such organization to make nominations on its behalf. The representative of the Director designated to attend the caucus meeting of cotton producer organizations in each state and of cotton importer organizations will ascertain the qualifications and eligibility of each representative of a cotton producer organization or cotton importer organization to participate in said meeting and to make nominations.

(b) Each caucus will be conducted as follows:

(1) The representative from the Cotton Division will act as temporary chairperson and will explain the procedure for nominations and the duties of the Cotton Board;

(2) The representatives in attendance from the certified organizations will then select a chairperson and secretary;

ASSESSMENTS

§ 1205.510 Levy of assessments.

(a) *Producer assessments.* An assessment of \$1 per bale for cotton research and promotion is hereby levied on each bale of Upland cotton that is produced from cotton harvested and ginned except cotton consumed by any governmental agency from its own production. Such assessment shall be payable and collected only once on each bale.

(1) A supplemental assessment for cotton research and promotion in addition to the \$1 per bale assessment provided for in paragraph (a) of this section, is hereby levied on each bale of Upland cotton harvested and ginned except cotton consumed by any governmental agency from its own production. The supplemental assessment rate shall be levied at the rate of five-tenths of one percent of:

(i) The current value of the cotton multiplied by the number of pounds of lint cotton or;

(ii) The current value of the cotton converted to a fixed amount per bale as reflected in the following assessment chart:

ASSESSMENT CHART ¹

Current value (cents per pound)	Supplemental Assessment, dollars per bale
.00 to 9.99	0.15
10.00 to 19.9940
20.00 to 29.9965
30.00 to 39.9990
40.00 to 49.99	1.15
50.00 to 59.99	1.40
60.00 to 69.99	1.65
70.00 to 79.99	1.90
80.00 to 89.99	2.15
90.00 to 99.99	2.40
100.00 to 109.99	2.65
110.00 to 119.99	2.90

¹ Assessment is calculated on 5/10 of 1 percent of the midpoint of each 10¢ increment, based on a 500 lb. bale and converted to a fixed amount per bale.

(2) Each marketing year the collecting handler must select one of the two options for collecting the supplemental assessment as provided in paragraph (a)(1) of this section. The handler shall notify the Cotton Board as to the method selected at the time the handler files the first handler report each marketing year.

§ 1205.510

7 CFR Ch. XI (1–1–16 Edition)

(b) *Importer assessment.* An assessment for cotton research and promotion of \$1 per bale is hereby levied on each bale of cotton, or the bale equivalent thereof for cotton in cotton-containing products identified in the HTS conversion factor table in paragraph (b)(3) of this section and imported into the United States on or after July 31, 1992. The \$1 per bale assessment shall be converted to a fixed amount per kilogram to facilitate the U.S. Customs Service in collecting this assessment.

(1) A supplemental assessment for cotton research and promotion in addition to the \$1 per bale assessment provided for in paragraph (b) of this section is hereby levied on each bale of cotton or bale equivalent of cotton in cotton-containing products, identified in this subpart, imported into the United States on or after July 31, 1992. The supplemental assessment shall be levied at the rate of five-tenths of one percent of the historical value of cotton as determined by the Secretary and expressed in paragraph (b)(2) of this section. The rate of the supplemental assessment on imported cotton will be the same as that levied on cotton produced within the United States. The supplemental assessment will be calculated as a fixed amount per kilogram and added to the \$1 per bale or bale equivalent assessment to facilitate the Customs Service in collecting assessments.

(2) The 12-month average of monthly weighted average prices received by U.S. farmers will be calculated annually. Such weighted average will be used as the value of imported cotton for the purpose of levying the supplemental assessment on imported cotton and will be expressed in kilograms. The value of imported cotton for the purpose of levying this supplemental assessment is \$1.2013 cents per kilogram.

(3) The following table contains Harmonized Tariff Schedule (HTS) classification numbers and corresponding conversion factors and assessments. The left column of the following table indicates the HTS classifications of imported cotton and cotton-containing products subject to assessment. The center column indicates the conversion factor for determining the raw fiber

content for each kilogram of the HTS. HTS numbers for raw cotton have no conversion factor in the table. The right column indicates the total assessment per kilogram of the article assessed.

(i) Any line item entry of cotton appearing on Customs entry documentation in which the value of the cotton contained therein results in the calculation of an assessment of two dollars (\$2.00) or less will not be subject to assessments as described in this section.

(ii) In the event that any HTS number subject to assessment is changed and such change is merely a replacement of a previous number and has no impact on the physical properties, description, or cotton content of the product involved, assessments will continue to be collected based on the new number.

§ 1205.519 Organic exemption.

(a) A producer who operates under an approved National Organic Program (NOP) (7 CFR part 205) system plan; produces only products that are eligible to be labeled as 100 percent organic under the NOP, except as provided for in paragraph (h) of this section; and is not a split operation shall be exempt from the payment of assessments.

(b) To apply for an exemption under this section, an eligible cotton producer shall submit a request for exemption to the Board—on a form provided by the Board—at any time initially and annually thereafter on or before the beginning of the crop year as long as the producer continues to be eligible for the exemption.

(c) The request shall include the following: The producer's name and address, a copy of the organic farm or organic handling operation certificate provided by a USDA-accredited certifying agent as defined in section 2103 of the Organic Foods Production Act of 1990 (7 U.S.C. 6502), a signed certification that the applicant meets all of the requirements specified in paragraph (a) of this section for an assessment exemption, and such other information as may be required by the Board and with the approval of the Secretary.

(d) If the producer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the producer. For exemption requests received on or before August 15, 2005, the Board will have 60 days to approve the exemption request; after August 15, 2005, the Board will have 30 days to approve the exemption request. If the application is disapproved, the Board will notify the

applicant of the reason(s) for disapproval within the same timeframe.

(e) The producer shall provide a copy of the Certificate of Exemption to each handler to whom the producer sells cotton. The handler shall maintain records showing the exempt producer's name and address and the exemption number assigned by the Board.

(f) An importer who imports only products that are eligible to be labeled as 100 percent organic under the NOP (7 CFR part 205) and who is not a split operation shall be exempt from the payment of assessments. That importer may submit documentation to the Board and request an exemption from assessment on 100 percent organic cotton and 100 percent organic cotton products—on a form provided by the Board—at any time initially and annually thereafter as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of producers in paragraph (c) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer. The Board will also issue the importer a 9-digit alphanumeric Harmonized Tariff Schedule (HTS) classification valid for 1 year from the date of issue. This HTS classification should be entered by the importer on the Customs entry documentation. Any line item entry of 100 percent organic cotton and cotton products bearing this HTS classification assigned by the Board will not be subject to assessments.

(g) The exemption will apply immediately following the issuance of the Certificate of Exemption.

(h) Agricultural commodities produced and marketed under an organic system plan, as described in 7 CFR 205.201, but not sold, labeled, or represented as organic, shall not disqualify a producer from exemption under this section, except that producers who produce both organic and non-organic agricultural commodities as a result of split operations shall not qualify for exemption. Reasons for conventional sales include lack of demand for organic products, isolated use of antibiotics for humane purposes, chem-

ical or pesticide use as the result of State or emergency spray programs, and crops from a buffer area as described in 7 CFR part 205, provided all other criteria are met.

EFFECTIVE DATE NOTE: At 80 FR 82023, Dec. 31, 2015, § 1205.519 was amended by revising paragraphs (a), (b), (c), (d), (e), (f), and (h), effective Feb. 29, 2016. For the convenience of the user, the revised text is set forth as follows:

§ 1205.519 Organic exemption.

(a) A producer who operates under an approved National Organic Program (7 CFR part 205) (NOP) organic production system plan may be exempt from the payment of assessments under this part, provided that:

(1) Only agricultural products certified as “organic” or “100 percent organic” (as defined in the NOP) are eligible for exemption;

(2) The exemption shall apply to all certified “organic” or “100 percent organic” (as defined in the NOP) products of a producer regardless of whether the agricultural commodity subject to the exemption is produced by a person that also produces conventional or nonorganic agricultural products of the same agricultural commodity as that for which the exemption is claimed;

(3) The producer maintains a valid certificate of organic operation as issued under the Organic Foods Production Act of 1990 (7 U.S.C. 6501–6522) (OFPA) and the NOP regulations issued under the OFPA (7 CFR part 205); and

(4) Any producer so exempted shall continue to be obligated to pay assessments under this part that are associated with any agricultural products that do not qualify for an exemption under this section.

(b) To apply for an exemption under this section, an eligible cotton producer shall submit a request for exemption to the Board on an *Organic Exemption Request Form* (Form AMS-15) at any time initially, and annually thereafter on or before the beginning of the crop year, as long as the producer continues to be eligible for the exemption.

(c) A producer request for exemption shall include the following:

(1) The applicant's full name, company name, address, telephone and fax numbers, and email address;

(2) Certification that the applicant maintains a valid certificate of organic operation issued under the OFPA and the NOP;

(3) Certification that the applicant produces and/or imports organic products eligible to be labeled “organic” or “100 percent organic” under the NOP;

§ 1205.520

(4) A requirement that the applicant attach a copy of their certificate of organic operation issued by a USDA-accredited certifying agent under the OFPA and the NOP;

(5) Certification, as evidenced by signature and date, that all information provided by the applicant is true; and

(6) Such other information as may be required by the Board, with the approval of the Secretary.

(d) If a producer complies with the requirements of this section, the Board will grant an assessment exemption and issue a Certificate of Exemption to the producer within 30 days. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same time-frame.

(e) A producer approved for exemption under this section shall provide a copy of the Certificate of Exemption to each handler to whom the producer sells cotton. The handler shall maintain records showing the exempt producer's name and address and the exemption number assigned by the Board.

(f) An importer who imports products that are eligible to be labeled as "organic" or "100 percent organic" under the NOP, or certified as "organic" or "100 percent organic" under a U.S. equivalency arrangement established under the NOP, may be exempt from the payment of assessments on those products. Such importer may submit documentation to the Board and request an exemption from assessment on certified "organic" or "100 percent organic" cotton and cotton products on an *Organic Exemption Request Form* (Form AMS-15) at any time initially, and annually thereafter, as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of producers in paragraph (c) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer. The Board will also issue the importer an alphanumeric number valid for 1 year from the date of issue. This alphanumeric number should be entered by the importer on the Customs entry documentation. Any line item entry of "organic" or "100 percent organic" cotton and cotton products bearing this alphanumeric number assigned by the Board will not be subject to assessments. Any importer so exempted shall continue to be obligated to pay assessments under this part that are associated with any imported agricultural products that do not qualify for an exemption under this section.
